## Abstracts

The Middle Eastern Heating and Cooling Systems Market Report Description

This report presents a comprehensive overview of the Middle Eastern heating and cooling systems market, the effect of recent high-impact world events on it, and a forecast for the market development in the medium term. The report provides a strategic analysis of the heating and cooling systems market in the Middle East and describes the main market participants, growth and demand drivers, challenges, and all other factors, influencing the development of the market.

The report on the Middle Eastern heating and cooling systems market covers the following countries:

Bahrain, Iran, Iraq, Israel, Jordan, Kuwait, Lebanon, Oman, Qatar, Saudi Arabia, United Arab Emirates

The report covers heating and cooling systems (HVAC systems are used for regulating indoor temperature and air quality in residential, commercial, and industrial settings; including: air conditioners and coolers, heating systems and heaters, stoves, fireplaces and chimneys, heating & cooling supplies; excluding: air treatment devices (purifiers, humidifiers, etc.), ventilators, solar systems for heating support) and is broken down by:

Product groups: Air conditioners and coolers; Heating systems and heaters; Stoves, fireplaces and chimneys; Heating and cooling supplies

Price segments: Mass; Mid-priced; Premium

Distribution channels (online vs. offline): Online; Offline

Retail distribution channels: DIY retailers; Supermarkets and hypermarkets; Specialty retailers; Independent retailers; Others

You will receive the report within five working days after order confirmation.  
Contact us to learn if a shorter delivery time would be possible.

#### State of the Global Demographics and Economy

This section of the report presents you with historical and forecast data about key macroeconomic indicators of the global demographics and economy:

What are the values of key global economic indicators (GDP, inflation, unemployment, government debt, etc.)?

What are the values of key global demographic indicators (population, growth rate, life expectancy, age and gender, etc.)?

#### Analysis of the Heating and Cooling Systems Market in the Middle East

The market analysis section provides an overview of the market size and dynamics in value terms for the last five years. It answers the following questions:

What is the size of the heating and cooling systems market in the Middle East?

How has the heating and cooling systems market in the Middle East performed in value terms for the last five years?

How is the market structured?

What are the major trends affecting the market?

Which are the major companies on the market?

How intensive is the competitive landscape?

What are the drivers and challenges affecting the market development?

#### Heating and Cooling Systems Prices in the Middle East

The price section of the report answers the following questions:

How is the value chain of the market formed?

What is the structure of price formation?

What are the retail prices of heating and cooling systems in the Middle East?

#### Foreign Trade Operations of Heating and Cooling Systems in the Middle East

The foreign trade operations section answers the following questions:

What is the trade balance in value terms?

Does the Middle East import more heating and cooling systems than it exports?

How has the trade balance changed over the last five years?

#### Imports of Heating and Cooling Systems to the Middle East

The import section of the report answers the following questions:

How has the value of imports changed over the past five years?

Which are the major countries that import heating and cooling systems to the Middle East?

What is the average price of the heating and cooling systems imported to the Middle East?

Exports of Heating and Cooling Systems from the Middle East

The export section of the report answers the following questions:

How has the value of exports changed over the past five years?

Which are the main recipient countries of the Middle Eastern heating and cooling systems exports?

What is the average price of the heating and cooling systems exported from the Middle East?

Consumption of Heating and Cooling Systems in the Middle East

The consumption section of the report answers the following questions:

What is the per capita consumption value? How has it changed over the past five years?

Forecast

The final section of the report presents a forecast for the development of the market based on three scenarios - base, pessimistic, and optimistic. The forecast section answers:

How will the heating and cooling systems market in the Middle East look like over the next five years in both value terms for each possible scenario?

Short Methodology

This research report has been prepared with WMStrategy's research methodology, which includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from local market experts (representatives of the main market participants), gathered by semi-structured interviews.

For this particular report, more than 10 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). The full list of interviewed experts and a detailed methodology are available upon

request.

#### Customization

The report will be updated as of the current month of purchase, which is why it will be dispatched within five working days after order confirmation. If the report is missing data points you need, it can be amended to fit your specific requirements and satisfy your individual objectives and information needs. Contact us for more information!

#### Report Benefits

Discover how the market performed in the past (in the last 5 years) and how it will perform in the future (in the next 6 years);

Track and identify key market trends and insights on key drivers behind recent market changes;

Strategically assess the competitive position of the main market players;

Evaluate how diversified the market is in terms of competitive intensity, fragmentation, and environment in order to understand competitive threats;

Assess growth potential, opportunities, demand drivers, and challenges on the market;

Quickly and cost-effectively receive a complete strategic analysis of the market;

Improve your pitches and presentations by using verified market data and expert insights;

Make important strategic decisions safely and with confidence;

Receive professional expertise on the market and everything important connected with its development;

Empower your marketing, branding, strategy, product and business development, consumption, and supply functions with valuable market insights;

Build your investment strategy by assessing market attractiveness, country attractiveness, or company attractiveness;

Evaluate the key macroeconomic indicators to get insight into the general trends within the economy and demographics;

Acquire data your competitors might already have and be acting upon.

#### Report Users

This market research report is ideal for people who want to gain a comprehensive understanding of the Middle Eastern heating and cooling systems market. Most often these are professionals actively working in the market as:

C-suite executives;

Directors;

Market strategists;

Marketing professionals;

Business development professionals;  
Product developers;  
Product marketers and strategists;  
Product managers;  
Project managers;  
Suppliers;  
Traders.

This report can also bring value to professionals, not actively involved in the market, such as:

Management consultants;  
Investment managers;  
Financial professionals;  
Bank managers;  
M&A managers;  
Auditors.

## Contents

### INTRODUCTION

Report description  
Research methodology

### EXECUTIVE SUMMARY

### CHARACTERISTICS OF HEATING AND COOLING SYSTEMS

### STATE OF THE GLOBAL DEMOGRAPHICS AND ECONOMY

Characteristics of the global demographics in 2020-2024  
Characteristics of the global economy  
Forecast for the development of the global economy in 2025-2027

### HEATING AND COOLING SYSTEMS MARKET IN THE MIDDLE EAST

Value and dynamics of the heating and cooling systems market in the Middle East in 2020-2024  
Structure of the heating and cooling systems market in the Middle East by country  
Key recent trends on the heating and cooling systems market in the Middle East  
Competitive landscape of the market  
Key drivers and restraints for the market development in the medium term

### PRICES OF HEATING AND COOLING SYSTEMS IN THE MIDDLE EAST

Value chain analysis  
Structure of price formation

Characteristics of the retail prices of heating and cooling systems in the Middle East in 2020-2024

Characteristics of the retail prices of heating and cooling systems in the Middle East by country

## **FOREIGN TRADE OPERATIONS OF HEATING AND COOLING SYSTEMS IN THE MIDDLE EAST**

Foreign trade operations of heating and cooling systems in the Middle East in 2020-2024

Foreign trade operations of heating and cooling systems in the Middle East in 2020-2024 by country

## **IMPORTS OF HEATING AND COOLING SYSTEMS TO THE MIDDLE EAST**

Value and dynamics of the imports of heating and cooling systems to the Middle East in 2020-2024

Main countries importing heating and cooling systems to the Middle East

Structure of the imports of heating and cooling systems to the Middle East by country

Average prices of the heating and cooling systems imported to the Middle East

Average prices of the heating and cooling systems imported to the Middle East by country

## **EXPORTS OF HEATING AND COOLING SYSTEMS FROM THE MIDDLE EAST**

Value and dynamics of the Middle Eastern exports of heating and cooling systems in 2020-2024

Structure of the exports of heating and cooling systems from the Middle East by country

Main countries that receive heating and cooling systems exports from the Middle East

Average prices of the heating and cooling systems exported from the Middle East

Average prices of the heating and cooling systems exported from the Middle East by country

## **CONSUMPTION OF HEATING AND COOLING SYSTEMS IN THE MIDDLE EAST**

Value and dynamics of the per capita consumption of heating and cooling systems in the Middle East in 2020-2024 by country

## **FORECAST FOR THE DEVELOPMENT OF THE HEATING AND COOLING SYSTEMS MARKET IN THE MIDDLE EAST IN 2025-2030**

Forecast for the market development in the medium term under three possible scenarios
