## Abstracts

### The Montenegrin Sweeteners Industry Report Description

This report presents an overview of the Montenegrin sweeteners industry for the period 2020-2024, the effect of recent high-impact world events on it, and a forecast for the industry development in the medium term (2025F-2030F). It is a comprehensive industry report, analyzing multiple products within the beer industry, segmented into several main categories.

This research report provides a strategic analysis of the Montenegrin sweeteners industry and describes the industry size, main market participants, growth and demand drivers, challenges, and other factors that influence the development of the industry.

This analysis includes information about the market volume and value, import, export, foreign trade, and pricing of the main product groups within the industry.

This report covers sweeteners - including sugar (white and brown sugar, lump sugar, crystallized and powdered sugar), honey and artificial sweeteners (saccharin, stevia and other artificial sweeteners), and is broken down by:

Product groups: Sugar; Honey; Artificial sweeteners

End users: Industrial (processing); HoReCa (foodservice); Retail

Price segments: Mass; Mid-priced; Premium

Distribution channels: HoReCa; Retail

Retail distribution channels: Supermarkets and hypermarkets; Convenience stores; Specialist retailers; Independent retailers

You will receive the industry research report within five working days after order confirmation. Contact us to learn if a shorter delivery time would be possible. After the delivery, you can study the report thoroughly and ask questions within the following three months.

We also offer similar market research reports and special terms for bundle purchases. Within the same industry, we also provide feasibility studies, business plans, due diligence reports, market entry, market development, product launch and product development studies, direct access to millions of potential new consumers, partner search and selection, and more. Contact us for more information.

#### State of the Global Demographics and Economy

What are the values of key global economic indicators (GDP, inflation, unemployment, government debt, etc.)?

What are the values of key global demographic indicators (population, growth rate, life expectancy, age and gender, etc.)?

#### Analysis of the Montenegrin Sweeteners Industry

This section of the report provides an overview of the market size and dynamics of the sweeteners industry in Montenegro, segmented by the main product groups in volume and value terms for the period 2020-2024. It answers the following questions:

What are the size and dynamics of the Montenegrin sweeteners industry in volume and value terms?

How has the Montenegrin sweeteners industry been segmented by product groups in volume and value terms over the past five years?

How is the industry broken down by segments?

What are the major trends affecting the industry?

Which are the major companies on the Montenegrin sweeteners industry and what are their main characteristics?

How fragmented is the competitive landscape?

What is the degree of competition, based on Porter's five forces?

What are the drivers and challenges affecting the industry development?

#### Montenegrin Sweeteners Prices

The price section of the industry research report answers:

How is the industry value chain formed?

What is the structure of price formation?

What are the average retail prices of sweeteners in Montenegro and how have they changed over the last five years?

What are the average retail prices of the main product groups within the industry?

## Foreign Trade Operations of Sweeteners in Montenegro

The foreign trade operations section of the industry report answers:

How has the trade balance developed over the last five years?

Does Montenegro import more sweeteners than it exports within each of the main product groups in the industry?

## Imports of Sweeteners to Montenegro

The import section of the industry research report answers:

How has the volume and value of sweeteners imports to Montenegro changed over the past five years?

How are the Montenegrin sweeteners imports segmented by main product groups?

Which are the major countries that export sweeteners to Montenegro?

What are the average prices of sweeteners imported to Montenegro and how have they changed over the last five years?

## Exports of Sweeteners from Montenegro

The export section of the industry report answers:

How has the volume and value of sweeteners exports from Montenegro changed over the past five years?

How are the Montenegrin sweeteners exports segmented by main product groups?

Which are the main recipient countries of the Montenegrin exports of sweeteners?

What are the average prices of sweeteners exported from Montenegro and how have they changed over the last five years?

## Consumption of Sweeteners in Montenegro

This section of the report answers:

What is the per capita consumption of sweeteners in Montenegro in volume and value terms? How has it changed over the past five years?

## Montenegrin Sweeteners Industry Forecast

The final section of the industry report presents a forecast for the industry development in the medium term, based on three scenarios - base, pessimistic, and optimistic. The forecast section answers:

How will the sweeteners industry in Montenegro develop over the next six years for each scenario?

What are the forecasted market dynamics of the main product groups within the industry under the base scenario?

### Short Methodology

The industry research report is prepared using WMStrategy's proven research methodology. It includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from market experts (representatives of the main market participants), gathered through semi-structured interviews.

For this particular industry report, at least 10 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). A detailed methodology is available upon request.

### Customization

The report will be updated as of the current month of purchase and will be dispatched within five working days after order confirmation. It can be amended to fit your specific data needs and preferences to cover your individual goals. Contact us to share your particular requirements!

### Report Benefits

Discover how the sweeteners industry in Montenegro performed in the past (in the last five years) and how it will perform in the future (in the next six years);

Track and identify key industry trends and insights behind recent industry changes;

Understand the overall local demand for the main sweeteners product groups;

Discover which are the most promising markets and segments;

Strategically assess the competitive position of the main industry players;

Evaluate how diversified the industry is in terms of competitive intensity, fragmentation, and environment in order to understand competitive threats;

Assess growth potential, opportunities, demand drivers, and challenges in the industry;

Quickly and cost-effectively receive a complete strategic analysis of the industry;

Improve your pitches and presentations by using verified industry data and expert insights;

Make important strategic decisions safely and with confidence;

Receive professional expertise on the industry and its development;

Empower your marketing, branding, strategy, product and business development with valuable industry insights;

Build your investment strategy by assessing industry attractiveness or company attractiveness;

Evaluate the key macroeconomic indicators to get insight into the general trends within

the economy and demographics;

Acquire data your competitors might already have and be acting upon.

### Report Users

This industry research report is ideal for people who want to gain a comprehensive understanding of the sweeteners industry in Montenegro. It is also tailored to help people who need a clear and fact-based analysis of the market size and dynamics, import, export, foreign trade, and pricing of the main product groups within the industry. Most often, these people are professionals actively working in the industry as:

C-suite executives;
