The New Zealander Meat and Meat Substitutes Industry Report Description

This report presents an overview of the New Zealander meat and meat substitutes industry for the period 2020-2024, the effect of recent high-impact world events on it, and a forecast for the industry development in the medium term (2025F-2030F). It is a comprehensive industry report, analyzing multiple products within the beer industry, segmented into several main categories.

This research report provides a strategic analysis of the New Zealander meat and meat substitutes industry and describes the industry size, main market participants, growth and demand drivers, challenges, and other factors that influence the development of the industry. This analysis includes information about the market volume and value, import, export, foreign trade, and pricing of the main product groups within the industry.

This report covers meat and meat substitutes - including fresh and frozen meat (fresh and frozen beef and veal meat, fresh and frozen pork meat, fresh and frozen poultry meat, fresh and frozen sheep and goat meat and other fresh and frozen meat), processed meat (including ham and bacon, sausages and salami and cold and roasted meat) and meat substitutes (food products, based on plant-based alternatives, formulated to replicate the taste, texture, and appearance of animal-based meats), and is broken down by:

Product groups: Fresh and frozen meat; Processed meat; Meat substitutes

End users: Industrial (processing); HoReCa (foodservice); Retail

Price segments: Mass; Mid-priced; Premium

Distribution channels: HoReCa; Retail

Retail distribution channels: Supermarkets and hypermarkets; Convenience stores; Specialist retailers; Independent retailers

You will receive the industry research report within five working days after order confirmation. Contact us to learn if a shorter delivery time would be possible. After the delivery, you can study the report thoroughly and ask questions within the following three months.

We also offer similar market research reports and special terms for bundle purchases. Within the same industry, we also provide feasibility studies, business plans, due diligence reports, market entry, market development, product launch and product development studies, direct access to millions of potential new consumers, partner search and selection, and more. Contact us for more information.

What are the size and dynamics of the New Zealander meat and meat substitutes industry in volume and value terms?

How has the New Zealander meat and meat substitutes industry been segmented by product groups in volume and value terms over the past five years?

How is the industry broken down by segments?

What are the major trends affecting the industry?

Which are the major companies on the New Zealander meat and meat substitutes industry and what are their main characteristics?

How fragmented is the competitive landscape?

What is the degree of competition, based on Porter's five forces?

What are the drivers and challenges affecting the industry development?

New Zealander Meat and Meat Substitutes Prices

The price section of the industry research report answers:

How is the industry value chain formed?

What is the structure of price formation?

What are the average retail prices of meat and meat substitutes in New Zealand and how have they changed over the last five years?

What are the average retail prices of the main product groups within the industry?

Foreign Trade Operations of Meat and Meat Substitutes in New Zealand

The foreign trade operations section of the industry report answers:

How has the trade balance developed over the last five years?

Does New Zealand import more meat and meat substitutes than it exports within each of the main product groups in the industry?

Imports of Meat and Meat Substitutes to New Zealand

The import section of the industry research report answers:

How has the volume and value of meat and meat substitutes imports to New Zealand changed over the past five years?

How are the New Zealand meat and meat substitutes imports segmented by main product groups?

Which are the major countries that export meat and meat substitutes to New Zealand?

What are the average prices of meat and meat substitutes imported to New Zealand and how have they changed over the last five years?

Exports of Meat and Meat Substitutes from New Zealand

The export section of the industry report answers:

How has the volume and value of meat and meat substitutes exports from New Zealand changed over the past five years?

How are the New Zealand meat and meat substitutes exports segmented by main product groups?

Which are the main recipient countries of the New Zealand exports of meat and meat substitutes?

What are the average prices of meat and meat substitutes exported from New Zealand and how have they changed over the last five years?

Consumption of Meat and Meat Substitutes in New Zealand

This section of the report answers:

What is the per capita consumption of meat and meat substitutes in New Zealand in volume and value terms? How has it changed over the past five years?

New Zealander Meat and Meat Substitutes Industry Forecast

The final section of the industry report presents a forecast for the industry development in the medium term, based on three scenarios - base, pessimistic, and optimistic. The forecast section answers:

How will the meat and meat substitutes industry in New Zealand develop over the next six years for each scenario?

What are the forecasted market dynamics of the main product groups within the industry under the base scenario?

Short Methodology

The industry research report is prepared using WMStrategy's proven research methodology. It includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from market experts (representatives of the main market participants), gathered through semi-structured interviews. For this particular industry report, at least 10 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). A detailed methodology is available upon request.

Customization

The report will be updated as of the current month of purchase and will be dispatched within five working days after order confirmation. It can be amended to fit your specific data needs and preferences to cover your individual goals. Contact us to share your particular requirements!

Report Benefits

Discover how the meat and meat substitutes industry in New Zealand performed in the past (in the last five years) and how it will perform in the future (in the next six years);
Track and identify key industry trends and insights behind recent industry changes;
Understand the overall local demand for the main meat and meat substitutes product groups;
Discover which are the most promising markets and segments;
Strategically assess the competitive position of the main industry players;
Evaluate how diversified the industry is in terms of competitive intensity, fragmentation, and environment in order to understand competitive threats;
Assess growth potential, opportunities, demand drivers, and challenges in the industry;
Quickly and cost-effectively receive a complete strategic analysis of the industry;

Improve your pitches and presentations by using verified industry data and expert insights;
