What are the size and dynamics of the North American glasses and sunglasses industry in value terms?
How has the North American glasses and sunglasses industry been segmented by country in value terms over the past five years?
How has the North American glasses and sunglasses industry been segmented by product groups in value terms over the past five years?
How is the industry broken down by segments?
What are the major trends affecting the industry?
Which are the major companies on the North American glasses and sunglasses industry and what are their main characteristics?
How fragmented is the competitive landscape?
What is the degree of competition, based on Porter's five forces?
What are the drivers and challenges affecting the industry development?

North American Glasses and Sunglasses Prices
The price section of the industry research report answers:

+357 96 030922
info@marketpublishers.com

How is the industry value chain formed?
What is the structure of price formation?
What are the average retail prices of glasses and sunglasses in North America and how have they changed over the last five years?
What are the average retail prices of the main product groups within the industry?
How have the glasses and sunglasses retail prices in North America developed in each of the analyzed countries over the last five years?

Foreign Trade Operations of Glasses and Sunglasses in North America
The foreign trade operations section of the industry report answers:

How has the trade balance developed over the last five years?
Does North America import more glasses and sunglasses than it exports within each of the main product groups in the industry?
Which North American countries are net importers and which - net exporters of glasses and sunglasses?

Imports of Glasses and Sunglasses to North America
The import section of the industry research report answers:

How has the value of glasses and sunglasses imports to North America changed over the past five years?
How are the North American glasses and sunglasses imports segmented by main product groups?
Which are the major North American countries importing glasses and sunglasses?
Which are the major countries that export glasses and sunglasses to North America?
What are the average prices of glasses and sunglasses imported to each North American country and how have they changed over the last five years?

Exports of Glasses and Sunglasses from North America
The export section of the industry report answers:

How has the value of glasses and sunglasses exports from North America changed over the past five years?
How are the North American glasses and sunglasses exports segmented by main product groups?
Which are the major North American countries exporting glasses and sunglasses?
Which are the main recipient countries of the North American exports of glasses and
