What are the size and dynamics of the North American underwear industry in volume and value terms?

How has the North American underwear industry been segmented by country in volume and value terms over the past five years?

How has the North American underwear industry been segmented by product groups in volume and value terms over the past five years?

How is the industry broken down by segments?

What are the major trends affecting the industry?

Which are the major companies on the North American underwear industry and what are their main characteristics?

How fragmented is the competitive landscape?

What is the degree of competition, based on Porter's five forces?

What are the drivers and challenges affecting the industry development?

North American Underwear Prices

The price section of the industry research report answers:

How is the industry value chain formed?

What is the structure of price formation?

What are the average retail prices of underwear in North America and how have they changed over the last five years?

What are the average retail prices of the main product groups within the industry?

How have the underwear retail prices in North America developed in each of the analyzed countries over the last five years?

Foreign Trade Operations of Underwear in North America

The foreign trade operations section of the industry report answers:

How has the trade balance developed over the last five years?

Does North America import more underwear than it exports within each of the main product groups in the industry?

Which North American countries are net importers and which - net exporters of underwear?

Imports of Underwear to North America

The import section of the industry research report answers:

How has the volume and value of underwear imports to North America changed over the past five years?

How are the North American underwear imports segmented by main product groups?

Which are the major North American countries importing underwear?

Which are the major countries that export underwear to North America?

What are the average prices of underwear imported to each North American country and how have they changed over the last five years?

Exports of Underwear from North America

The export section of the industry report answers:

How has the volume and value of underwear exports from North America changed over the past five years?

How are the North American underwear exports segmented by main product groups?

Which are the major North American countries exporting underwear?

Which are the main recipient countries of the North American exports of underwear?

What are the average prices of underwear exported from each North American country and how have they changed over the last five years?

Consumption of Underwear in North America

This section of the report answers:

What is the per capita consumption of underwear in each North American country in volume and value terms? How has it changed over the past five years?

North American Underwear Industry Forecast

The final section of the industry report presents a forecast for the industry development in the medium term, based on three scenarios - base, pessimistic, and optimistic. The forecast section answers:

How will the underwear industry in North America develop over the next six years for each scenario?

What are the forecasted market dynamics of the main product groups within the industry under the base scenario?

Short Methodology

The industry research report is prepared using WMStrategy's proven research methodology. It includes a blend of qualitative and quantitative data. The information comes from official sources and includes insights from market experts (representatives of the main market participants), gathered through semi-structured interviews.

For this particular industry report, at least 20 interviews have been conducted with market experts from the leading companies (producers, distributors, retailers, suppliers, etc.). A detailed methodology is available upon request.

Customization

The report will be updated as of the current month of purchase and will be dispatched within five working days after order confirmation. It can be amended to fit your specific data needs and preferences to cover your individual goals. Contact us to share your particular requirements!

Report Benefits

Discover how the underwear industry in North America performed in the past (in the last five years) and how it will perform in the future (in the next six years);

Track and identify key industry trends and insights behind recent industry changes;

Understand the overall local demand for the main underwear product groups;

Discover which are the most promising markets and segments;

Strategically assess the competitive position of the main industry players;

Evaluate how diversified the industry is in terms of competitive intensity, fragmentation, and environment in order to understand competitive threats;

Assess growth potential, opportunities, demand drivers, and challenges in the industry;
Quickly and cost-effectively receive a complete strategic analysis of the industry;
Improve your pitches and presentations by using verified industry data and expert insights;
Make important strategic decisions safely and with confidence;
Receive professional expertise on the industry and its development;
Empower your marketing, branding, strategy, product and business development with valuable industry insights;
Build your investment strategy by assessing industry attractiveness or company attractiveness;
Evaluate the key macroeconomic indicators to get insight into the general trends within the economy and demographics;
