Abstracts

This report presents a comprehensive overview of the vermouth and other flavoured wine market in Norway and a forecast for its development in the next five years. It provides a detailed analysis of the market, its dynamics, structure, characteristics, main players, growth and demand drivers, etc.

The purpose of the report is to describe the state of the vermouth and other flavoured wine market in Norway, to present actual and retrospective information about the volumes, dynamics, structure and characteristics of production, imports, exports and sales and to build a forecast for the market in the medium term. In the same way, the report presents an elaborate analysis of the main market participants, the price fluctuations, growth and demand drivers of the market and all other factors, influencing its development.

This research report has been prepared using the unique WMStrategy's methodology, including a blend of qualitative and quantitative data. The information comes from official sources and market insights from expert representatives of the main market participants (gathered by semi-structured interviews).

The report on the vermouth and other flavoured wine market in Norway includes:

Analysis and forecast for the economy of Norway;

Analysis and forecast for development of the market volume (market size), value and dynamics;

Market structure (by origin, by types of products, etc.);

Volume, dynamics and analysis of domestic production (past, current and

future);

Analysis of price levels (wholesale, retail, distributors, etc.) and their dynamics (past, current and future);

Volume, dynamics and analysis of imports (past, current and future);

Volume, dynamics and analysis of exports (past, current and future);

Volume, dynamics and analysis of sales (past, current and future);

Characteristics of the main market participants (manufacturers, distributors, wholesalers, retailers, importers, exporters, Governmental structures, etc.) and the competitive landscape;

Value chain analysis;

Analysis of the factors, influencing the development of the market;

Analysis and forecast of the trends and levels of supply and demand on the market;

Forecast for development of the market in the medium term.

This report will allow you to:

Quickly and cost-effectively gain competitive intelligence about the market;

Track market data, including size, value, segmentation, forecasts, dynamics and structure – past, present and future;

Track and identify key market trends, opportunities and threats and key drivers behind recent market changes;

Strategically assess market growth potential, demand drivers and threats on the market;

Evaluate the key macroeconomic indicators to get insight into the general trends

within the economy;

See how the market performed in the past (over the last 5 years) and how it will perform in the future (in the next 5 years);

Get acquainted with the leading companies on the market (manufacturers, distributors, wholesalers, retailers, importers, exporters, Governmental structures, etc.);

Evaluate how diversified the market is in terms of competitive intensity, fragmentation and environment and understand competitive threats;

Empower your marketing, branding, strategy and market development, sales and supply functions with useful market insights;

Build your investment strategy by assessing market attractiveness or company attractiveness;

Build your own market entry or market expansion strategy or evaluate your current strategy;
