### Synopsis

WMI's, 'Industrial Construction in Latin America to 2015: Market Databook' contains detailed historic and forecast value data, segmented at a market level.

### Summary

This report is the result of WMI's extensive market research covering the industrial construction market in Latin America. It provides detailed historic and forecast values, segmented at market level. 'Industrial Construction in Latin America to 2015: Market Databook' provides a top-level overview and detailed category insight into the operating environment of the construction industry in Latin America. It is an essential tool for companies active across the Latin America construction value chain and for new players considering entering the market.

### Scope

- Overview of the industrial construction market in Latin America
- Analysis of the industrial construction value for full year 2010
- Historic and forecast market value of the industrial construction market for the period 2006 through 2015
- Historic and forecast value of all the categories active across the industrial construction market for the period 2006 through 2015

### Reasons To Buy

- This report provides you with important figures for the industrial construction market in Latin America
- This report provides you with information on segmentation by category in the industrial construction market
- This report enhances your knowledge of the market with key figures on values and segmentation by category for the historic period
- This report allows you to plan future business decisions using forecast figures for the market along with category level segmentation

## Table of Content

### 1 INTRODUCTION

- 1.1 What is this Report About?
- 1.2 Definitions
- 1.3 Summary Methodology

## 2 LATIN AMERICA CONSTRUCTION MARKET ANALYSIS

### 2.1 Industrial Construction Market Analysis

- 2.1.1 Market dynamics
- 2.1.2 Industrial construction market value
- 2.1.3 Industrial construction market segmentation
- 2.1.4 Industrial construction market value forecast
- 2.1.5 Industrial construction market segmentation forecast

### 2.2 Industrial Construction: Category Analysis

- 2.2.1 Chemical and pharmaceutical plants construction category value review
- 2.2.2 Chemical and pharmaceutical plants construction category value forecast
- 2.2.3 Manufacturing plants construction category value review
- 2.2.4 Manufacturing plants construction category value forecast
- 2.2.5 Metal and material processing plants construction category value review
- 2.2.6 Metal and material processing plants construction category value forecast
- 2.2.7 Refinery buildings construction category value review
- 2.2.8 Refinery buildings construction category value forecast
- 2.2.9 Storage tanks construction category value review
- 2.2.10 Storage tanks construction category value forecast
- 2.2.11 Waste processing plants construction category value review
- 2.2.12 Waste processing plants construction category value forecast
